

Camera Placement Options

Imagine the Possibilities....

Gatekeeper Systems wants your purchase and experience of the G4™ DVR systems for school buses to be seamless.

There are a lot of things to think about and a few questions that need to be answered prior to delivery....

Number of cameras, camera placement, and what is the right size of lens required to meet my location and viewing range requirements?

This document is a help guide for the possible locations and recommended lens configurations.

Please feel free to call us if you have any questions at 1-888-666-4833.
